- CIMERLI™ Co-Pay Program subject to change or discontinuation without notice. This is not health insurance.

*Terms & Conditions

Coherus' Drug Co-Pay Program and Administration Co-Pay Program are different programs with unique eligibility for each. Patients must enroll separately as needed. To receive co-pay assistance for drug or administration co-pay costs, the provider, patient, or caregiver must enroll eligible individual within 180 days after the date of service for which the subsidy is sought.

Participating patients, pharmacies, physician offices and hospitals may use Coherus' patient services web portal or fax completed enrollment forms to 1-877-226-6370 to enroll patients.

Under the CIMERLI™ Drug Co-Pay Program, if a patient incurs a co-pay obligation for the cost of CIMERLI™, and meets all eligibility requirements, Coherus shall subsidize the cost of drug up-to \$15,000 per calendar year.

Under the CIMERLI™ Injection Administration Co-Pay program, if a patient incurs a co-pay obligation for the administration of CIMERLI™, and meets all eligibility requirements, Coherus shall subsidize the cost of administration up-to \$1,000 per calendar year.

The program benefits will reset every January 1st. Re-enrollment in the programs is required at regular intervals. Patients may participate in the programs as long as the patient re-enrolls as required by Coherus BioSciences and continues to meet all of the eligibility requirements for each program during participation in the programs. After reaching the maximum benefit for either program, the patient will be responsible for all remaining out-of-pocket expenses. The amount of each of the program's benefits cannot exceed the patient's out-of-pocket expenses for the cost of the drug or administration fees associated with CIMERLI™.

The programs are not valid if the costs are eligible to be reimbursed in their entirety by private insurance plans or other programs. The programs are not valid for patients receiving assistance from any other third party, including charitable organizations, if assistance is for the same expenses covered by the programs. The administration assistance cannot be combined with any other rebate, free trial or similar offer for the medication or administration of the product unless otherwise permitted by Coherus. These programs are not health insurance or a benefit plan.

All participants are responsible for reporting the receipt of all program benefits as required by any insurer or by law. The programs are only valid in the United States and US Territories and otherwise void where prohibited by law, including in Minnesota and Rhode Island. In Massachusetts, Minnesota, and Rhode Island special conditions apply. The injection administration co-pay may only be paid directly to the patient. Additional information may be required to facilitate payment directly to the patient. Co-Pay Program benefits may not be sold, purchased, traded or offered for sale.

The programs do not obligate use of any specific product or provider. Healthcare providers may not advertise or otherwise use the programs as a means of promoting their services or Coherus products to patients. Coherus reserves the right to rescind, revoke or amend the program without notice at any time.
